

Capitalize on the fastest growing recurring revenue opportunity as an **Anunta DaaS Partner**

A turnkey, fully managed, white-labeled DaaS for resellers and service providers

Sell our DaaS solution to businesses of any size, while making an attractive profit margin.

Gain access to DaaS design, implementation, and management to offer to your customers.

Offer on-demand virtual desktops hosted on any public cloud or on-prem infrastructure using VDI technology (Microsoft, VMware, Citrix).

Scale your VDI business with programs that align with your business models, optimizing your profitability with no risk to your brand value.

Scale your business and maximize your revenue potential by offering your customers a custom-built fully managed DaaS solution tailored to their unique business needs.

Why should you become an Anunta DaaS Partner?

Generate additional monthly recurring revenue and increase your profitability

Choose from our offerings and create a custom package to sell to your customers

Offer your customers transparent support and access to specialized DaaS experts

Retain complete control over your customer relationships with flexible contracts

Enjoy unrestricted access to extensive sales training, and marketing tools and resources

Leverage easy onboarding, straight forward billing, and best-in-class SLAs and XLAs
